PROVOICE WELCOMES ACCOMPLISHED NEW TALENT CONNOR QUINN

ProVoice Greetings, is happy to announce the addition of award winning voiceover artist, Connor Quinn, to its list of exceptional talent.

ProVoice Greetings believes in a complete business presentation that includes audio as well as visual features and founded itself on this principle to offer specialized professional audio talent. Offering only the highest quality sound recordings in international voice talents, translation services, voicemail and IVR services, ProVoice Greetings services include radio ads, voice overlay for YouTube, Power Point presentations, training videos, and book readings to name a few.

ProVoice Greetings is continually growing their list of remarkable voice talents. With that being said, they are happy to announce the addition of multi award winning voiceover talent, Connor Quinn. With 28 years of experience, Mr. Quinn has been heard all over the world for Fortune 500 companies like Southwest Airlines, Disney, NBC and Sandals Resorts. Connor is a voice over chameleon—a veritable Treasure Chest of voices waiting to explore your adventure and bring your copy to life. Whether it is for IVR, On-hold messaging, movie trailers, narration, documentaries, e-learning, video games, radio and television commercials, odds are Connor has the voice to tell it. ProVoice Greetings welcomes him to their team with the knowledge he will be an outstanding asset to both the company and the customers they serve.
